RUBY GRAPEFRUIT WIT BIER

To place an order, please contact your Old Yale Brewing Sales Representative.

Crafted with a classic Belgian yeast, a distinct spiced character intertwines with the vibrant tanginess of Ruby Grapefruit, Orange Peel and Coriander creating a velvety, full-bodied and balanced Witbier. Cloudy with a subtle blush of pink, this soft and inviting Trailblazer Series release offers a touch of invigorating bitterness from the Grapefruit that you'll experience from the very first sip.
